

Joyfully Sharing the Gospel to build and nurture Christ's Family.

The Vision

Our Shepherd Lutheran Church and School's Youth Ministry programs provide learning experiences that are grounded in the Bible, experiential, peer supported, and intergenerational to facilitate the student's ownership of his or her own faith.

Our Shepherd's Youth Ministry is like a tree that is nurtured by the sun, gains nutrients from the ground, and then grows up into the world.

God makes it grow and gives His Holy Spirit. The Bible provides the root system. The congregation and adult leadership provide a supportive trunk that supports the youth as they grow and mature into leaves that will show the world the love of Christ.
